Bavarian Ski Race Rules and Regulations

Teams of four will be randomly selected from the entry pool. Teams depart from the Lodge Deck at one minute intervals. Each team must consume one pitcher of nonalcoholic beverage, run to their awaiting equipment and load Chair One. Participants race down Silver Ridge, down Silver King, remove equipment and run to the Lodge Deck where they consume one pitcher of alcoholic beverage. The team of four participants to complete this course with the shortest recorded time wins.

Drinking before the race is cause for disqualification. All team members must be 21 years of age and present at Lodge Deck Table prior to alcohol consumption. Infringement with or interference to other participants or teams, will automatically disqualify you and your team members from race participation. Refunds will not be available. Please read and sign the release of liability. Without a signed release, the participant will be unable to compete in the Bavarian Ski Race.
