

Tour de Rock

Autumn Mountain Bike Ride

Once again, you are invited to join us at 49 Degrees North for a mountain bike ride/fund raiser to benefit the 49 Degrees North Winter Sports Foundation [a non-profit organization] to support the FAST race team and Nordic events. The citizen's course will be a climb up through the Sunrise Basin, then a traverse across the face of the mountain, and finally a fun downhill run back to the lodge. There are many great view points, clean mountain air, refreshments, and support services along the way. The Family Fun Ride will start at the bottom of Chair 4 and go to the top of Chair 3, with a nice fun descent through the Hobbit Forest and end back at the lodge. The Rough Ride 4000 is a more extended ride to the summit. The ride starts near the Chewelah City Park, continues on pavement to the 49° North Lodge, and follow on the routes described above. All riders should be prepared for adverse weather and must wear an approved helmet.
